PROFILE SUMMARY

Dedicated and creative UI/UX Designer and Graphic Designer (Undergraduate Student) with a strong foundation in user-centered design, wireframing, and prototyping. Passionate about crafting intuitive and visually engaging digital experiences that solve real-world problems. Skilled in translating ideas into interactive designs using modern tools and design systems. Actively seeking an internship opportunity to collaborate with a dynamic team, gain hands-on industry experience, and grow within the evolving field of design and user experience.
